What's new and different in Australia

Angela Reddin from the Association of Wine Educators is our speaker this month.

Alongside lecturing she is a consultant, writer (a member of the Circle of Wine Writers) and wine judge, and organises the annual Kingston Wine Festival

She has travelled extensively to all key regions of France and has also visited wine regions in Austria, Italy, Spain, Argentina, Uruguay and Brazil. She worked in a winery laboratory in Australia and did a full vintage as one of the winemaking team in Central Otago, New Zealand.

As such, she is better qualified than many to give us an update on what's happening 'down under'. We will be discussing how more Italian and Spanish varieties and styles have started to make and impact as well the focus on quality and fruit flavours.

So don't miss out!

All the wines come from **OZ Wines**, one of the top two Australian mail order wine companies. They are based in UK. The selection is likely to be:-

Whites:

Inghams Skilly Ridge Riesling 2005
Hastwell & Lightfoot Viognier 2004
Brokenwood ILR Semillon 1999
