Pairing Chocolate and Wine – presented by Chris Scott of ThirtyFifty Wines

Calling all chocoholics - well that's probably most of us, especially with the taste of Easter still to the fore! And a very welcome return to Chris Scott from ThirtyFifty Wines who has proved a very popular speaker on his previous two visits to us. (Some of you will remember his Food and Wine Pairing and New Zealand Tasting – his home country).

Pairing wine and chocolate is very much the 'in thing'. Chris will pair a selection of Rococo chocolates with dessert wines, red wine and fizz which he thinks are natural companions with much in common – but let's see what you all think. During the tasting you'll get the chance to find the perfect wine match for white, milk and dark chocolate!

At the session you'll learn how cocoa beans are turned into chocolate and discover the different types. We'll give you tips and tricks for matching chocolate with wine as you taste them together.

This promises to be an extremely pleasurable evening when you can indulge all your vices in one go (well at least two of them!)
